# HERE'S HOW IT WORKS

You can log your reading progress online and/or keep track on this paper log. Color in a shape for each day you read at least 15 minutes. When all the shapes are filled in, bring your sheet into the library and you win a prize bag plus a book of your choice! (1 prize bag/person while supplies last.)

Each prize bag contains: snowman pen, balloon, coloring bookmark, peppermint candy, party horn.

Stop down at the library or call us if you have any questions!
